Phone lines will be open for appointment scheduling.

New Salon Protocols:

We have temporarily suspended the beverage bar and the use of magazines.

Our team members will take their temperature before they start each day. Please take your temperature at home before arriving. If you have a temperature of 100.4 or higher please notify your stylist to reschedule. We will have touch-less thermometers on site for your use.

*If you are ill, have underlying health conditions or have been around someone who has been ill, please wait 14 days to reschedule your appointment once your symptoms have passed.

Please be mindful of distancing from others in all areas of the salon. Stylist will be following strict sanitations guidelines. Capes and towels will be washed after every client. Prior to starting your service, your service provider will clean and sanitize their hands. Gloves may also be used.
